PERFORMANCE MONITORING OF TEACHING STAFF

Please rate the teachers on the following attributes using the 4-point scale shown

SUGGESTIONS FROM STUDENTS:

Sessional work/ assignment work load must be reduced. Teaching and non teaching staff must remain impartial. Teacher should not dictate each word from books rather should explain better. Each room should have exhaust facilities. More subject related books should be there in library in medium Punjabi, Hindi Languages. Emphasis should be laid on practical aspect than theory memorization. Proper seating arrangement be there in summer season.

ACTION TAKEN:

In a meeting of IQAC, it was decided that Sessional work/assignments would be given in groups. Students' concern regarding dictation was conveyed to the concerned teachers. Installing the Exhaust Fans is in the pipeline. Subject books in the medium of Punjabi, Hindi language in the library are already ordered more in the previous years. In the 3rd semester only practical is there in the form of school internship for the period of 14 weeks in schools. Canteen area can be used in free periods for seating.
